AI Enabled Motherhood Support System

Step 1: Sign Up & Enter Details
- Create account
- Enter pregnancy month, due date, and basic health info.

↓

Step 2: Get Personalized Dashboard
- See month-wise plan for safe exercise, healthy diet tips, and water intake tracking

↓

Step 3: Upload Medical Reports
- AI analyzes your medical reports to spot risks like thyroid, high BP, anemia, gestational diabetes

↓

Step 4: Monitor Baby's Growth
- View week-by-week embryo development with clear visuals and descriptions.

↓

Step 5: Follow Daily Health Routine
- Get reminders for meals, hydration, safe exercises, and doctor appointments

↓

Step 6: Receive Alerts & Reminders
- Get notified for important tasks to maintain health and stay on track.

↓

Step 7: Get Emergency Help
- Press one-tap emergency button to instantly connect with a qualified doctor.

↓

Stay Healthy & Safe
Personalized care ensures a safe, healthy, and stress-free pregnancy journey.
